Attention: Candidates for 2018 Municipal Election

Re: Campaign Signs on Township Road Allowances/ Municipal Buildings

In the past, it has been noted that campaign signs have been placed close to road intersections. These signs are being placed closer and closer to the traffic lanes, obstructing sight lines and posing a safety hazard. During this campaign, election signs on Township Roads must adhere to the following do's and don'ts.

Do:

- ✓ Erect signs at least 25 metres from intersections
- ✓ Use wooden posts
- ✓ Consider locations that do not obstruct a driver's view, including their view of pedestrians and driveway entrances to roadways
- ✓ Pick up signs promptly after Election Day.

Don't:

- ✗ Place signs on Township sign posts or hydro poles
- ✗ Use wire posts
- ✗ Place signage on the grounds of Township Municipal buildings

Any sign placed that does not adhere to the recommendations above or deemed to cause visibility problems in any way, will be removed. Any signs that are removed may be picked up by you at the Township Public Works Department shops. Locations are available by request. Please note that this letter is not to be construed as an approval to place signs on Township road allowances.

If you have any questions or comments, please do not hesitate to contact me.

Yours truly,

Tom Lightfoot
Public Works Manager
